

Acing the ACT/SAT: Tips for Success

Sugarcreek Educational
Concepts, LLC

“Success is the sum
of small efforts,
repeated day-in and
day-out.”

~ *Robert Collier*

Standardized tests are a measure of a student's cognitive ability on any given subject. Schools use the scores to determine student knowledge and ability.

For the past two years, most Ohio public high schools have used the ACT as one of the measures for high school graduation.
